

IILM LAW SCHOOL

IILM UNIVERSITY

Gurugram

IILM has a legacy of excellence in responsible higher education since 1993. After entering into the domain of law and with the approval from BCI and State Government of Haryana, IILM Law School is committed towards the promotion of academic excellence under the able guidance of its Board of Governors.

IILM Law School imparts legal education with a rich interdisciplinary curriculum supported by co-curricular learning experiences and Legal Aid Services that enable students to become effective and responsible lawyers, leaders and changemakers. Our programs are rooted in practical exposure that builds a holistic perspective through a dynamic learning model.

Located at the heart of Golf Course Road, Gurugram and in close proximity to corporate houses, renowned law firms and the Courts, IILM Law School enables opportunities to network with the best in the field.

IILM Law School focuses on enabling each student to independently analyze, research, synthesize and communicate legal issues. The campus makes for an exciting and productive community of teachers and students to study, to teach, to write, to debate, to question, to innovate and prepares the students to litigate, to advocate and to pursue the highest ideals of law and justice.

Programs

➔ **BBA LLB (Hons)**

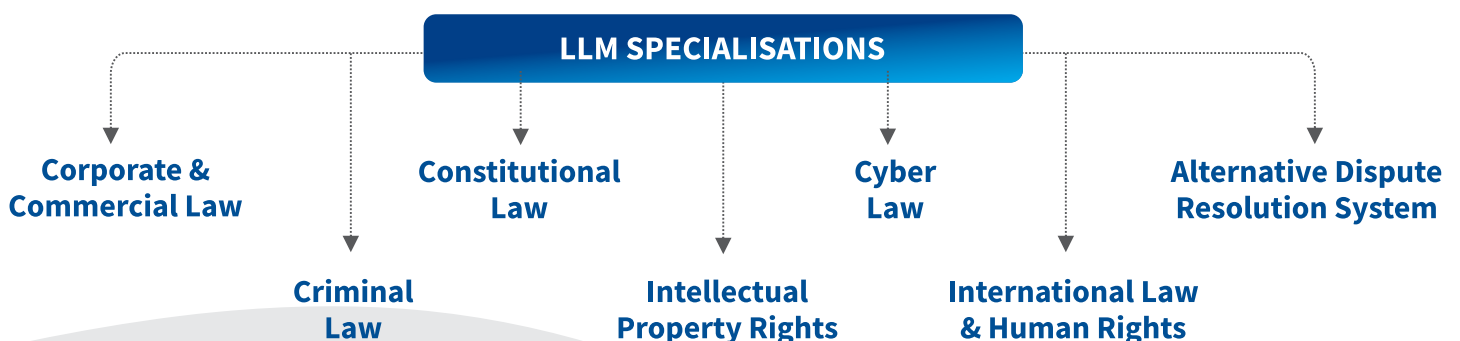

➔ **BA LLB (Hons)**

Our Five Year Integrated Programs of BBA LLB (Hons) and BA LLB (Hons) prepare graduates for careers at the intersection of law and other disciplines.

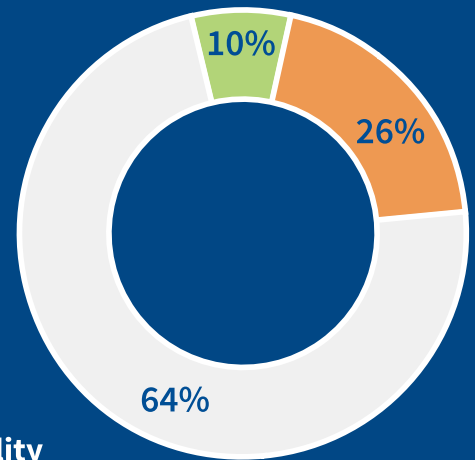

➔ **LLM (Specializations)**

One year postgraduate program of LLM is offered for law graduates, corporate lawyers, legal practitioners, civil servants, diplomats and judges with three option of specializations, enabling graduates to advance in their legal career.

Inter-Disciplinary Curriculum

Interdisciplinary courses at IILM Law train future lawyers for related fields such as Psychology, Management, Journalism, Public Policy, Liberal Arts and International Relations, equipping them with knowledge to enhance their legal expertise in unique ways. This intellectually invigorating, forward thinking and professionally supportive learning atmosphere makes it conducive for students to become well-rounded lawyers and legal practitioners.

Discipline Courses

Law Degree Courses

Skill and Ability Enhancement Courses

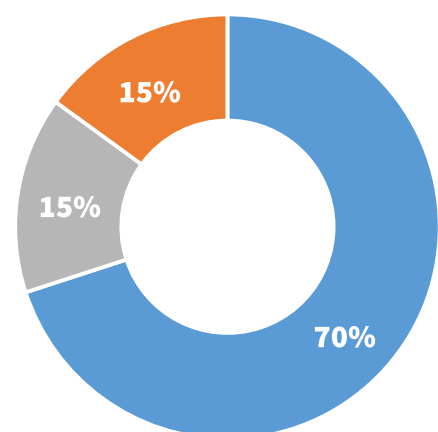

Curriculum Design

Core Courses

The Core courses provide an opportunity to know a segment of knowledge deeply, ensuring an in-depth grasp of its modes of thinking and analysis. At IILM Law School, the Core courses build the foundation of legal knowledge and application, allowing students to know the basic rules, underlying principles and jurisprudence. Clinical Legal Education is also an integral part of the core curriculum. With these Core courses, students gain insight into adjudication and develop professional skills such as client interviewing, drafting, pleading, communicating and analytical thinking.

Law Degree Courses

Core Courses

The students can choose from Human Rights Law and Practice, Gender Justice and Feminist Jurisprudence, Citizenship & Emigration Law, Election Law to Banking Law, Bankruptcy & Insolvency Law, Competition Law, International Trade Dispute Resolution, Trade in Intellectual Property, to name a few.

Skill and Ability Enhancement Courses:

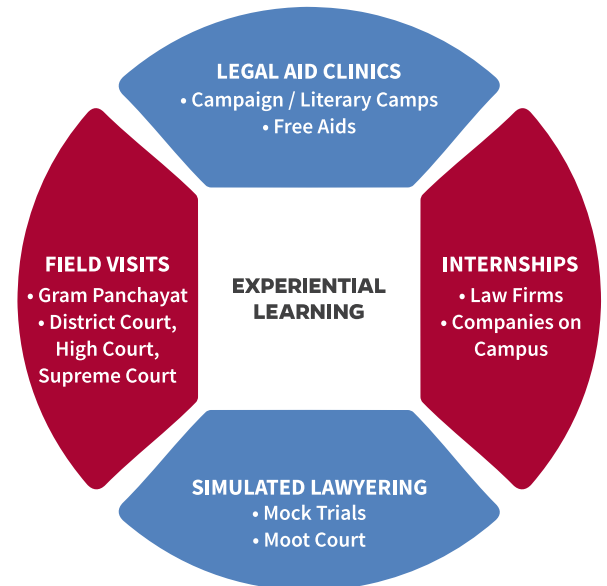

- ➔ Critical Thinking
- ➔ Academic Writing
- ➔ Art of Communication and Storytelling
- ➔ Election Governance and Democracy
- ➔ Leadership through Literature
- ➔ Foreign Language
- ➔ Cross Cultural Understanding
- ➔ Mathematical and Scientific Reasoning

Pedagogy

The learning pedagogy at IILM Law aims to put purpose into practice. Students absorb, analyse, debate, dissect cases from multiple perspectives and understand what lawyering is, how it is done and what it is to become a lawyer. IILM Law School has created a plethora of opportunities for its students to pursue legal education through pedagogy that best reflects the study of comparative law and digging deep into domestic law.

The classroom discussions lead to an understanding of legal frameworks while reflecting on concepts with Real Life Learning through Case Studies, Internships, Guest Lectures, Field Visits, Simulated Lawyering and Legal Aid Clinics

The vibrant mooting culture is an application of the art of persuasive advocacy and plays an important role in legal education at IILM Law School. The Moot Court simulates a real-life experience, enabling students to develop their oratory, persuasive, research and writing skills, thus making them proficient lawyers.

“The future may seem uncertain, but IILM University helps me discover the career path that matches my interests and motivates me to become the best version of myself.”

Shivangini Singh
BA LLB (Hons) - Batch 2020 - 25

“At IILM Law School I get seamless exposure from experienced and well qualified faculty. Learning has never been this exciting.”

Aekantik Dalal
BA LLB (Hons) - Batch 2019 - 24

Inter-Disciplinary Innovation In Lawyering

At IILM Law School, students learn what lawyering is, how it is done, and what it is to become a lawyer. We believe that the millennials need to be skillfully adaptive to interdisciplinary fields - such as business, communication, health, technology, international studies, social work, foreign language and education to complement and enhance their legal and critical thinking besides being a trained lawyer.

Opportunities for Students:

- ➔ Pro Bono Program
- ➔ Field Visits to learn by demonstration
- ➔ Student clubs and activities on campus

Mentoring: Students are groomed into global process leaders through common University courses and mentoring session. Outreach programs and a structured support system help students in building and sustaining future aspirations.

Career Centre

IILM University has much to offer students on their path to professional success – be it an employment or a self-employment path. With focus on personal and professional development to make them future ready, the Career Centre helps students carve their way to a successful career through:

- ➔ Interventions designed for the Future of Work
- ➔ Professional Skill Development
- ➔ Summer Internship in India and Abroad
- ➔ Study Abroad Programs and Summer School
- ➔ Career Advisory
- ➔ Opportunities to interact and learn from Professors, Industry mentors and Alumni, Start-Up Founders and leaders.
